

A photograph of a tropical beach. The foreground is a wide expanse of bright white sand. To the left, the turquoise ocean meets the shore, with gentle waves lapping at the sand. The water transitions from a light blue near the beach to a deeper turquoise further out. In the distance, a dark, straight line marks the horizon where the ocean meets a clear, vibrant blue sky. The overall scene is peaceful and idyllic.

I NEED TO BE SEAHABILITATED...
